March 3rd 2022

Dear Parents and Guardians,

I hope you are well.

You will be aware that the government has lifted Covid restrictions and so we are entering a new phase in the school's life.

We in Scoil an Linbh Íosa are very aware of the varying levels of comfort and unease - among parents, children and staff - with the lifting of restrictions. With that in mind we propose a gradual unwinding of the Covid measures we have in place.

Anyone who wishes to wear a mask is free to do so.

The staggered intake system will be removed from Monday March 7th. So from Monday all children will come in to school at 9am. Junior classes (Junior Infants, Senior Infants, First and Second) will enter by Gate A or B (main entrance). Senior classes (3rd, 4th, 5th and 6th) will enter by Gate C (St Farnan's). The children should not be on the school grounds before 9am as they will not be supervised.

Junior and Senior Infants will go home at 1.40pm (no change). All other classes will leave school at 2.40pm.

Some After School Activities will resume after St Patrick's Day. Further information will be available next week.

The yards are being rearranged so that the children can play with all the children in their year group. This will bring so much fun and joy back to the school.

We ask you to continue to keep your child at home if they are sick.

Parents and visitors are asked to continue to come to the front window of the Administration office for the time being.

We hope that this phase of the lifting of restrictions will go smoothly.

Wishing everyone good health.

Take care.

Geraldine Hetherton
Principal
