

Fáilte ar ais

Céad míle fáilte romhaibh go léir ar ais do gach duine. A special welcome to all our Junior Infants and those who joined us in other classes for the first time. We are very pleased that all our new pupils are settling in so well, in particular the Junior Infants who are already showing signs of independence and readiness to learn.

I am delighted to welcome the new members of staff and new parents/guardians. I hope that you are already feeling part of our school community. On behalf of The PTA I would like to extend an invitation to all to come along to the AGM on Sept.30th. The PTA plays a very important part in school life. We want our school to be an inclusive and dynamic force in our community. We need you, the parents and guardians, to share our vision and to be with us on our journey as we strive to provide the best possible education for our pupils.

Road Safety

The safety of the children in our care is of major concern to us, both inside and outside the school. We are asking everybody to support us in our walking initiatives. Let the children walk to school. The weather is not on our side so we have no choice but to dress appropriately and leave outside the school as free of cars as possible.

In the interests of safety, please abide by the parking regulations and, in particular, give consideration to local residents so that they can access their driveways and their premises.

We look forward to working with you and your children and if you have any concerns please come and talk to us.
