

Dia daoibh!

Hope you enjoyed the Bank Holiday weekend and the amazing weather. In line with our school calendar and the Bank holiday weekend, the outline of work for this week has been reduced to reflect a 3 day school week (Wednesday 6th - Friday 8th May).

There will be one Google Classroom activity posted for this week. It will be posted on Wednesday 6th May. Do the amount of work that you can manage.

Well done and thank you to those of you who handed in your assignments last week. They have all been corrected and returned so don't forget to check the comments. Reminder to you all to keep up neat writing and a clear layout. If you want you can start writing all or some of your work in joined. If you are not sure of some letter formation check back to Modern handwriting book.

Ms. Lowe

Check Google Classroom for your assignment on Wednesday. As it is a shorter week, you just have one activity to complete.

**Maths:** Please number your work and space it out clearly

**Planet Maths:** Topic - Length

Pg 82    A1 + 2    Remember there is 100cm in 1 metre so 167cm = 1m 67cm

Pg 82    B        Be careful with place value for this question

Pg 82    C        Questions 1, 2 and 3

Use [topmarks.co.uk](https://www.topmarks.co.uk) website for maths games

Revise/ continue learning **x12 tables**. Revise using hit the button - either the answer or the question. I got 26 for hit the answer, can you beat my score? Probably!!

---

**English: Poetry:** Write a poem about lockdown 2020. You can create your own title and remember it does not have to rhyme.

Jolly Grammar pg 60 No sentences this week

Library book - PLEASE KEEP READING

Handwriting book - pg 46 only
