

Week starting 27/4/2020

Hello girls and boys,

We hope that you are all happy, healthy and well.

Last week we set up Google Classroom. Well done to all of you that have signed up and handed in your first assignment. It has been so lovely to look at your drawings and write with you all on Google Classroom.

If you have not signed up or are having difficulty, please refer to the help page at <http://www.prosperousns.ie/gcparents.html> or if you are still having trouble send an email to home.school@prosperousns.ie. We are here for you.

Going forward, we will add suggested work, for you to try, to the blog on Sundays. There has been a link created so that you can access the class blog on Google Classroom. Assignments on Google Classroom will also be posted on Monday morning for you to try for the week. We will only add on a Monday so we don't overload Mammy and Daddy's email.

Please continue your book work as normal.

Table toppers. One set per week. We are due to start subtract 11 this week.

Spelling sheet - One set per week. Practice as you did when doing homework with some sentences. We are due to start the /air/ sound with the 'ear' spelling this week. We will also upload the spelling sheet to the blog just in case some of you have misplaced the sheet.

Don't worry if you are not on the tables/ spellings mentioned on the

document, continue on from wherever you are and work at your own pace.

Modern handwriting - 1 page this week.

Grow in Love - Pg, 50 -51 - your talents.

Prayers on page 64 to know for Communion (sign of cross, Glory be to the Father, Our Father, Hail Mary, Act of Sorrow (First Confession), Prayer before Communion, Prayer after Communion)

Lessons are available on the Grow in Love website www.growinlove.ie using the login:

Email: trial@growinlove.ie

Password: growinlove

Maths

This week a PowerPoint on money has been uploaded and added to the blog and Google Classroom. It deals with working with coins up to €2. It has been broken down into 4 days Monday - Thursday. Try your best to engage with the material and attempt some of the tasks on your mini whiteboard, homework copy or sheet of paper.

We will ask that you upload one attempted activity from this PowerPoint to Google Classroom.

Google Classroom assignments.

1. Take a photo and upload one activity you tried from the Maths money PowerPoint.
2. Take a photo or draw a picture of the signs of Spring.

Have a lovely week.

Ms McDermott and Ms Shortt
