

Ms. Kavanagh and Ms. Mahoney's Junior Infants
3rd-5th June

Hi boys and girls,

We hope you had a great Bank Holiday weekend! It is hard to believe it is June already and that this is your last month in Junior Infants. Where has the time gone? We are so disappointed that we cannot be in school right now going on teddy bear picnics, going on our school tour, having fun at sports day and so much more. Thankfully the weather has been gorgeous and you have had lots of fun playing outside each day, getting some exercise and fresh air. We are so glad you are safe and happy at home. You are showing us amazing work on Google Classroom and we love to see your photos and videos each week.

Now that it is June, I'm sure you will be delighted to hear we will be giving you less work to complete each week. If we were in school we would be doing the same. Everybody has worked so hard over the last couple of weeks so it is time to ease off and take a little bit of pressure off both the children and parents. We will still give you Google Classroom assignments to complete as it is a nice way to praise and interact with the children and let them know we are still here but overall the workload will decrease.

We would also recommend that every few days you continue to revise phonics, tricky words, blending and do a little bit of reading. We have 4 letters left to complete in our handwriting please feel free to complete them at a time that suits your family.

You will be contacted shortly about the collection of school books and art from the school. Please check your child's folder for any books belonging to the classroom. We will be asking you to return them when you are collecting your child's belongings.

We hope you are all keeping well and we hope you are enjoying the beautiful weather.

Take care,

Ms. Mahoney and Ms. Kavanagh

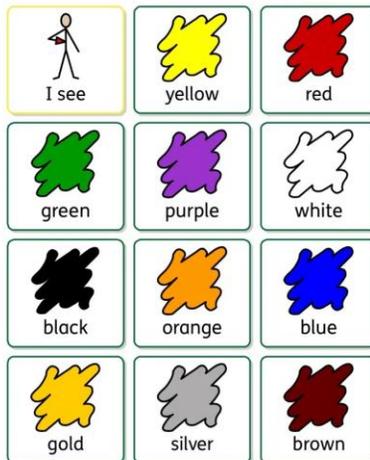

Wednesday 3rd June

- Art: Have a look at the powerpoint "Summer" on Google Classroom. The children can pick one of these Art pieces or come up with their own art idea. We are looking forward to seeing one of your beautiful creations!

Thursday 4th June

- Garden Scavenger hunt: Have a look in your garden/ outside. Can you find something that matches each of these colours?

Colours Scavenger Hunt

Home Learning

Friday 5th June

- A mini-beast hunt: Go explore outside and see how many different interesting insects and bugs you can find.

Have a lovely weekend :)
