

## **First Class 8/6/2020-12/6/2020**

Hi everyone,

We hope that you are all happy and healthy. It was a bit colder and wetter this week but we hope you got to go outside for some play time. Of course when it is raining you can always pick up a book and do some reading!

Some of you were very busy last week doing the tasks that we organised. We were really impressed by the super work that was sent into Google Classroom. It looks like everyone enjoyed doing those fun activities.

This week we are going to continue with our fun activities. We have organised five tasks for you to enjoy. These will be shared here and posted to Google Classroom also.

You can send us pictures/videos of how you get on with the various tasks if you have time. We love seeing your work and we look forward to hearing from you all every week!

We miss you all. We cannot wait for school to reopen.

For now try your best to stay safe, healthy and happy.

Have a great week,

Ms. Wadding and Mr. O' Sullivan
