## CONGRATULATIONS

### First Holy Communion Children

We in Scoil an Linbh Íosa want to send our best wishes to all the children who made their First Holy Communion on Saturday and last night. We know you had to wait a long time for this special sacrament – but it was worth it in the end. You all looked so lovely and behaved so well during the masses. I am sure your parents are very proud of you. We certainly are. You can be rightly proud of yourselves. Well done.

We wish to thank the parents and guardians for preparing the children to receive this sacrament. A special word of thanks to the parents who had to make new arrangements in order to be able to get to the church last night. We understand that this was very inconvenient, but we hope that you agree that this was a better outcome, rather than waiting, and waiting without knowing how long the wait would be. At least now all the children in the *Holy Communion Class of 2020* have made their First Holy Communion together.

Our thanks also go to Fr Bernard and the parish team for all the work involved in the four Holy Communion ceremonies. We greatly appreciate your time and dedication to the service of the parish.

May I invite you to send us a photo of your child in their First Holy Communion outfit (by email or through google classroom), so that we can post a montage on the school website to celebrate this special occasion for the children. We will understand if you are not comfortable doing this, so please feel free not to submit a photo.

Thank you for your patience and support.

Keep well.

Take care.
