

First Class 27-4-2020 to 1-5-2020

Hi everyone, we hope you are well.

We have included some work that can be completed this week.

Thank you for signing up to Google classroom. We are asking you to upload a picture of two pieces of work this week, art and Lift Off writing.

Please go to the Google Classroom App and sign into your child's account. Click on the relevant assignment and click 'Add attachment'. Take a photo of your child's work and select 'Hand in'. We found that it is easier to do this off of a smart phone or tablet.

Your child can also post questions to their teacher in the 'Ask your teacher a question' section. They can also add private comments in the assignment sections.

If you can't access Google Classroom for any reason do not worry. You can still do your work at home if you can.

Helpful files and videos will be available at this Google drive link.
