

Week starting 15/6/2020 – 19/6/2020

Hello girls and boys,

We hope that you are all keeping healthy, fit and well. It was so nice to see your parents last week, collecting your books and art pieces.

If you find that you have any library books, PM readers, whiteboards or any school materials at home, please return them to the office.

We hope that you are enjoying the June activities so far. We have been enjoying seeing all of your creations and are very proud of your great efforts. This week will mark the last week of Google Classroom assignments as we get ready to enter our final week of school with Active Week (22/6) which will take place on our Google Classroom platform. The teachers are busy getting challenges ready for all of you to compete in.

Suggested assignments for week beginning 15th June 2020:

We have another week focused on fun, creativity and well-being, and we've teamed up with the first class teachers again, who have some great ideas for the week ahead.

Each of the assignments will be posted on Monday morning on Google Classroom. You can do them in any order, there are no set days.

1. Mr O' Sullivan would like to draw a plan of a blanket fort and create it at home. Post a picture of you reading your favourite book in your blanket fort.

2. Ms McDermott would like you to create a Lockdown 2020 Time Capsule. A downloadable PDF is available for you to use as a guide when creating your Time Capsule, but there is no obligation for you to use it.

3. Ms Shanley would like you to complete a flower pressing activity, details can be found on at the link below.

4. Ms Wadding would like to follow a recipe to make some yummy homemade ice-cream.

5. Ms Shortt would like you to reflect on the things you are thankful for using the Attitude for Gratitude activities attached.

We hope you enjoy these activities and we can't wait to see the wonderful work you'll do! We are really looking forward to Active Week next week.

Have a lovely week.

Stay kind.

Ms McDermott and Ms Shortt.
