25th March 2021

Dear Parents/Guardians,

The current roll out of the vaccination process in the country has lifted the hopes and spirits of us all after what has been a very difficult year for everyone. We continue to hope and pray that our lives can return to normal as soon as possible.

We would like to thank you for completing the Sacramental Contact Form which will allow us to contact you, especially out of school term.

In the absence of any indication of when public worship can recommence we have decided to postpone the setting of dates for celebration of the sacraments of First Penance, First Holy Communion and Confirmation until September of this year (2021) for those children currently in Second Class and Sixth Class.

Hopefully by then we will have some indication of how many people will be allowed in our churches.

We encourage parents/guardians to download the Newbridge Parish App which has a dedicated section for Prosperous Parish and which is available for Apple and android devices. Many resources will be made available through this app. When you download the app please make sure to have notifications enabled. It is further hoped that this can become a good means of communication between parents/guardians and the Parish into the future.

With every good wish,

Fr. Ruairí Ó Domhnaill, Fr. Joe McDermott, Fr. Bernard Reyhart
