

Scoil An Linbh Íosa
03/02/2022

Dear Parents/Guardians,

As you know, Scoil An Linbh Íosa is taking part in the Green-schools programme and is now working on the Global Citizenship and Energy theme.

As part of our work promoting energy awareness and climate change, we have decided to launch a NO IDLING campaign outside the school gates.

All vehicle owners are asked to turn their engines off, while they wait to help improve air quality and create a healthier environment around our school gates.

More information on Idling is available on the school website and our Green- School noticeboard.

By making this simple change, we can make a difference and improve the quality of air we all breathe. Let's give it a go!
We would like to thank you for your continued support and we will keep you updated.

Kind regards,
The Green Schools Committee
Scoil An Linbh Íosa
