

**4<sup>TH</sup> CLASS WORK:**  
**MS DUNNE & MR**  
**STONE**

**Mon 18<sup>th</sup> May - Fri 22<sup>nd</sup> May**  
**1 week**

# Instructions:

◦ Hi Everyone,

We hope that you are all happy, healthy & safe! We can't believe that it has been 2 months since we have seen you & I'm sure like us you are missing your friends, after school activities, yard time & maybe even the classroom day itself! But for now it is important that we listen to all the advice we have been given & stay home, to stay safe.

Again this week, we have set some suggested tasks for you to work on during the week or whenever you get a chance as we know that Mums and Dads are very busy right now. Try your best! 😊

There will also be 2 new tasks for you on Google Classroom- don't forget to hand-in your work on these tasks for us to see- We can't wait 😊

If we were in school, we would have been doing our daily mile, so we suggest that you measure out a mile near your house (with the help of Mum/Dad), to run once a day. We will also be doing this, so when we return to school we will all be flying! 😊

Parents, we are extremely grateful for all of your cooperation during this strange time. Distance learning can be difficult to manage, but with your support has proved very successful. We truly appreciate all of your help. Remember it is up to you to decide how much or little your child does & it is like Ms Hetherton said "treat it is like a menu".

We really are missing everyone, but for now stay safe, healthy & happy. Remember to be kind to everyone at home, help out where you can & get lots of fresh air 😊

Ms Dunne & Mr Stone

# In-Class English Groups

- **Monday & Tuesday:** Novel Work

- Read Chapter 5 “Bill’s New Frock”
- Complete activities A & B after that chapter in your English Copy.

- **Wednesday:** Grammar- The Apostrophe

- <https://www.youtube.com/watch?v=OyI8xH2CXsw> (contraction)
- <https://www.youtube.com/watch?v=zNFPnVz7JB4> (possession)
- Word Wizard P. 101

- **Thursday & Friday:** Comprehension Work/Writing

- Word Wizard P.98+99- Re-read “Stuck in Salou” + Q’s 1-5 Part A
- Letter-Write a letter to your teacher telling them about a holiday you have had (it can be good or bad/true or false!) in your English Copy.
- & 10mins handwriting

# In-Class Maths Groups

## ◦ New Topic: Area

1. Look at the Powerpoint on Area (On Blog)

2. You can watch this video to help you understand better-

[https://www.youtube.com/watch?v=8cz\\_IB65pZM](https://www.youtube.com/watch?v=8cz_IB65pZM) (Skip to 1.03)

3. Planet Maths P. 138 B+C

P.139 B, P.140 A+B

(Complete in maths copy)

(Check your answers using the answer booklet on the blog)

4. Challenge: In your maths copy design your perfect house or zoo.

Find the Perimeter (cm) + Area (cm)<sup>2</sup> of each room

/enclosure & colour it in ☺

-The area of a shape is how much space is inside the shape

Animal	Perimeter	Area
Giraffe	30 units	50 square units
Lion	22 units	30 square units
Elephant	36 units	80 square units

# Gaeilge-

- Everyday- spend 5/10mins on **duolingo** (<https://www.duolingo.com/welcome>) Select Irish & set up a free account. It's a great way to continue to use Gaeilge & learn some new words.

- Abair Liom: Caitheamh Aimsire (Past-times)

**1)** Look at the Poster on P. 140-141. Choose 5 new words- look them up in your dictionary or online & write them & draw a picture in your copy.

Puball= tent 				
---------------------------------------------------------------------------------------------------	--	--	--	--

**2)** P.144 Make 4 sentences from words in the box.

(1<sup>st</sup>=Verb [Imrim-I play (sport), Seinnim- I play (instrument), Téim – I go...] 2<sup>nd</sup>= Activity & 3<sup>rd</sup>= When [day of the week]) E.g. **Téim ag snámh Dé Luan.**

**3)** P.146- Word Search- Look up the words (most are in the poster) & find them in the wordsearch

# SESE:

## ◦ Plant Growth:

1) How does a seed become a plant? <https://www.youtube.com/watch?v=tkFPyue5X3Q>

-Have you ever planted seeds? Write about how you did this (Procedural Writing) & draw a picture of what it grew into in your copy.

2) Parts of a Plant: <https://www.youtube.com/watch?v=p3St51F4kE8>

-Draw & label a plant in your SESE copy.

3) What do plants need to survive experiment: <https://www.youtube.com/watch?v=Nffg3GISuXg>

-Make a list in your copy of the things plants need to grow.

-You can try this experiment at home if you have the materials 😊

More Experiments you could try: (Take/draw some pictures & stick them in your SESE copy)

- [https://www.sfi.ie/site-files/primary-science/media/pdfs/col/sci\\_at\\_home\\_how\\_plants\\_drink.pdf](https://www.sfi.ie/site-files/primary-science/media/pdfs/col/sci_at_home_how_plants_drink.pdf)

# Art: Draw your Favourite Zoo Animal(s)

◦ How to draw videos:

Lion- <https://www.youtube.com/watch?v=bs0W-YfM3Xc>

Elephant- <https://www.youtube.com/watch?v=-bS9-xYINgU>

Monkey- <https://www.youtube.com/watch?v=rY5G6t9KPBM>

Tiger- <https://www.youtube.com/watch?v=bBSKr-F8RCs>

Giraffe- <https://www.youtube.com/watch?v=cRYBEwairJQ>

Penguin- [https://www.youtube.com/watch?v=Y1APW\\_4J8dw](https://www.youtube.com/watch?v=Y1APW_4J8dw)

There are lots of tutorials on youtube to help you!

# Google Classroom Tasks:

-Upload your work on the 2 tasks onto Google Classroom & don't forget to click "Hand-in"

**Task 1)** Upload a picture of a piece of work you would like to show your teacher. It can be something you are proud of, or something you want help with 😊

**Task 2)** Zoo Animal Report: <https://www.dublinozoo.ie/animals/> You will find lots of information on the Dublin Zoo's Page or in a kiddle.com search.

Must Include:

**Name of Animal:**

**Classification:** (What is it?)

**Appearance:** (What does it look like?)

**Habitat:** (Where does it live in the wild?)

**Diet:** (What does it eat?)

**Interesting Facts:**

**All About Leopards**

Leopards, tigers, lions and jaguars are all called big cats. Big cats are different from pet cats. They are much bigger and they can roar.

**Habitat**  
Leopards live in jungles, mountains, grasslands and even swamps! They live alone for most of the time.

**Diet**  
Leopards hunt for food at night. They are carnivores and eat deer, fish, monkeys and birds. They are good climbers and watch their prey from trees. Then, they jump and pounce on their prey. After that, they drag the prey up to the branches and eat it in safety.

**Fun Facts**

- A baby leopard is called a cub.
- A leopard's tail is as long as its body!

**Did You Know...?**

- Leopards look similar to jaguars but they are smaller.
- There are different types of leopards but sadly they are all endangered in the wild.
