Conor, Sinead and Aoife are in the same class. They're all great friends. They've a lot of fun when they're together. The girls can't wait to go swimming and shouldn't have to wait too long. Conor won't swim because he doesn't like the water. Last time, Sinead couldn't believe how much Aoife had improved because she'd done lots of practice.

**Challenge: Expand the contracted words above, to their original form.**
