Third Class

6th - 8th May 2020

Hiya boys and girls,

In line with our school calendar and the upcoming bank holiday weekend, the following outline of work will be for a three day period (Wednesday 6th - Friday 8th May).

There will be one google classroom activity posted on Wednesday 6th of May. Therefore, we have reduced the workload on this outline of work to reflect this

Again, I would just like to say I am super proud of all the work you have done so far. I am delighted to be able to talk to ye all now on google classroom. If you have any questions at all don't be afraid to send me a message on Google classroom and I'll try help you out as best I can.

Below I have left the suggested work for the coming week. Try your best. Any work is better than no work at all 😊

As you know I love a good tongue twister so I'm going to leave a few here to give you and your family a chuckle.

Does your sport shop stock short socks with spots?

A skunk sat on a stump and thunk the stump stunk, but the stump thunk the skunk stunk.

Smelly shoes and socks shock sisters

English:

Week (6th -8th May)

- Library book 15 mins at least per day
- Jolly Grammar pg 60 and 61

Homophones are words that sound the same but have different spellings and meanings.

Reed – tall slender plant

Their- it belongs to them i.e their coats

There- place

They're – They are- the apostrophe is instead of the a- always read as they are

Their 
There 

- Reading Zone- The Talking Horse, Unit 7 pg.28 Activity A, B, C, D orally- no need to write the answers

Gaeilge:

I have translated the chapter to help you out. It will be in a PowerPoint following this document on the website. You know more than you think. Try your best that's all you can do. I know it will be hard but keep going you are doing great. I have also included the answers but you are only to check your answers afterwards.

You can also access the book online if you are stuck for pronunciations of some of the words.

1. Go to [FolensOnline.ie](https://www.folensonline.ie) and click **Register**.
2. Select **Teacher**.
3. Fill in a username, email address and password.
4. For 'Roll Number' use the code:
 - **Prim20** for **primary book resources**
5. Click **Register**. You will then be sent an email (**check your 'Promotions' folder if using Gmail**) to activate your account.

Week (6th – 8th May)

- Abair Liom pg 122 -125 Do what you can
- I have included a yoga through Irish PowerPoint to help you focus before you begin your work you might like to try

Maths:

Week (6th – 8th May)

- Planet Maths
Topic: Area pg 138 – 141

For Activity B pg 140 I suggest measuring the shapes and drawing them into your sum copy and counting the squares then. Might make it a little easier for you.
