

**Ms. Gaire's Senior Infants**  
**Week: Monday 8<sup>th</sup> - Friday 12<sup>th</sup> June**

Dear parents, girls and boys,

I hope everyone is keeping well.

Boys and girls, thank you for submitting pictures of your beautiful Art work last week! Your Summer Art work was very creative. Well done!

Parents, work is marked for this week: Monday 8<sup>th</sup> - Friday 12<sup>th</sup> June. You will find work outlined below to complete daily and below that, you will see the "Resources" section with a link to click on that will lead you to the online resources needed for this week. As always, if you are having difficulty viewing the videos or accessing any resources, please let me know through a message in the "Question Section" on Google Classroom.

As mentioned in the previous plan, the staff have eased the workload for June. I will continue to mark reading each week. I recommend that once a week you revise Phonics, Tricky Words & Dolch Words. This is the last week that I am marking Maths and Handwriting work. If we were still in school, we would be finished the programmes by now and would be revising for the month of June. Unfortunately, due to distance learning, it has taken a little longer. Please do not be under any pressure to complete the Maths and Handwriting marked. These two pieces of daily work are optional. The staff will continue to mark assignments on Google Classroom as a means of interacting with the children.

Please click on this link: <http://www.prosperousns.ie/home/important-book-collectiondrop-off>  
It will inform you of the date and time for your Drop off/Collection appointment at school this week. You have been assigned a day and time by family surname. Please bring a strong bag with you as there is a lot of work and copies to collect. Also, please return your child's Shared Reader and PM Reader on your allocated day.

Have a good week!  
Best wishes,  
E. Gaire
