

Ms. Gaire's Senior Infants
Week Monday 25th - Friday 29th May

Hello parents, boys and girls!

I hope everyone is well and enjoyed the weekend.

Boys and girls, once again, thank you for the brilliant work that you submitted to Google Classroom last week. It was lovely to see you enjoying the nice weather and it was great to read your news.

Unfortunately, we now know that we won't be able to return to school to finish up the school year together. It is such a pity as I was really hoping we could reunite and finish out the year together. The school will be in contact at some stage to inform you about our procedure for returning and collecting books etc. I have copies, Art work, Aistear work, booklets of work etc to return to the children in due course. Can I please ask you to collect any readers that were sent home (PM reader, Shared Reader) and keep them safe for me until it is time to return them to the school. Thank you.

Parents, work is marked for this week: Monday 25th- Friday 29th May. You will find work outlined below to complete daily and below that, you will see the "Resources" section with a link to click on that will lead you to the online resources needed for this week. Two tasks will be posted on Google Classroom on Monday for the week. As mentioned previously, if you are having difficulty viewing the videos or accessing any resources, please let me know through a message in the "Question Section" on Google Classroom.

Google Classroom is sending parents reminders to submit tasks and it is also labelling an entry as "late" if it is past the deadline. This is built into the system and we are unable to change the setting. These messages are not coming directly from the staff. Please submit the tasks whenever suits. I am always happy to see what the children have been up to.

I hope the week goes well. Take care!

Best wishes,
E. Gaire
