

## **Ms.Gilbert's 5th class Maths group:**

I hope you have made good progress with the maths sheets you were given for the last two weeks. For the week of the 30th of March I would like you to work through the following work on Time and 3D shapes. All work can be completed into Maths Matters 5. Just try your best.

Best of luck and take care.

Ms. Gilbert

Monday - page 154 no. 1 and all page 155

Tuesday - all page 157 and all page 158

Wednesday - all page 133

Thursday -all page 134

Friday - all page 138
