

Ms. Lynch's Senior Infants.

Wed. 3rd - 5th June 2020.

Hello everybody,

I hope everyone is well and enjoying the fabulous weather.

Thank you for all the great replies on Google classroom last week. I got lots of great written activities and Money activities too. I love seeing all your super work. There will be only one task posted on Google Classroom this week due to the Bank Holiday.

Now that we are in the month of June, the staff have made the decision to ease the workload on students and families and focus on non-academic activities.

I would love, if possible, if you could continue reading with and to your child every day and keep up this special activity. Feel free to finish off the Handwriting book in your own time, if it suits you to do so.

Keep an eye out for a message on the school website/ school Facebook page/ your mobile phone informing you about the date and procedure for collecting your child's work from school and returning the books on loan from the school. (Any Shared Readers, Oxford Tree readers and PM reader belonging to the school. Thank you)

Best wishes,

Maureen Lynch
