

Ms. Mahoney and Ms. Kavanagh's Junior Infants
25th May- 29th May

Hi boys and girls,

Google Classroom Tasks:

Task 1: Maths: partitioning

Find 3 items at home and partition these items in different ways. Take a photo or a video showing the different ways you can partition number 3. Good luck!

Task 2: Reading

This week we would love to hear you read 8 of your tricky words. Please pick 8 words (at random or on flashcards) for your child to read and send in your video. We are really looking forward to hearing your super reading!

Tricky Words Activity Ideas: Carpark

You can use cars (or any toy you have at home) to play this game. Design a very basic car park on a sheet of paper for your child. An adult says a tricky word and your child 'parks' their car in the correct space.

Monday 25th May

- Revise all Tricky Words. Look for the words in books. Play games with the words. Read the words in sentences or make your own sentences.
- Handwriting- 2 lines of letter k. Look at the video on Google Drive:
<https://drive.google.com/open?id=1u1zwO+D6f6ThE6J7YqXur2S2RmfQGUET>
- Reading- Look at this file on Google Drive. Please do not worry if your child is not ready to read the story yet. Continue to blend simple 3 letter words.
Part 1: Dad, Can You Do This?

- Maths: Encourage your child to create the number 3 in various different sets independently if possible (like the way we made the number 4).
- Gaeilge: Listen to Oisín. Encourage the children to act out the instructions Oisín is giving. As they become more comfortable they may give the instruction.
This weeks' phrase is ' Tóg amach an _____ ' (Take out the _____) It might also be a good time to revise last week's phrase ' Cuir _____ sa bhosca lóin' (Put _____ into the lunch box). Revised vocabulary: úll (apple), ceapaire (sandwich), milseán (sweet), banana. New vocabulary: ubh (egg), bainne (milk), subh (jam)

Tuesday 26th May

- Handwriting- 2 lines of letter f. Look at the video for 'f' on Google Drive.
<https://drive.google.com/open?id=1DeYd673VFhIYjth03jhWL1JoMTHp-rJK>
- Reading: Click on the link in Monday's work.
- Maths: Revise the concept of length. You can use any equipment you can find at home e.g. blocks, straws, socks, string etc. Encourage the children to point out the longest, shortest, then to order the equipment from shortest to longest. You can access a poster and instructional questions on Google Drive with questions based on length to further consolidate the concept of length
