"In line with our school calendar and the upcoming bank holiday weekend, the following outline of work will be for a three day period (Wednesday 6th - Friday 8th May). There will be one google classroom activity posted on Wednesday 6th of May. Therefore, we have reduced the workload on this outline of work to reflect this."

Hi boys. I hope you are all doing ok. I'm sure you are all missing your friends and all the activities that you enjoy doing. I'm so happy to see that you have all signed up to Google School. It's great that we will now be able to communicate with each other.

If you have any questions about the work I'm giving you will be able to contact me in the ask your teacher a question box. I'm looking forward to hearing from you.
