

First Class 18/5/2020-22/5/2020

Hi everyone,

Well done to you all. We are delighted that so many of you are sending in your work on Google classroom. Every day we look forward to seeing what is sent in.

Keep up the good work, be nice to your families and try to help out at with jobs at home if you can.

We are asking you to upload a picture of **two** pieces of work this week, art and lift off writing.

If you can't access Google Classroom for any reason do not worry. You can still do your work at home if you can.

Helpful files and videos will be available at this Google drive link.

Note: For some reason the files disappear after viewing. If you click back and then enter the folder again, they should re-appear.

Art:

This activity is a fun one. All you have to do is find an image of a famous piece of art online. When you have picked out your favourite piece of artwork you can try to recreate it yourself. Dress up, find alternative props and be creative. Take a picture of yourself and send it into us please. It would be great if you could include the original artwork also to show us where you got your inspiration from. I've included an example below. If you are too busy to take your own picture you can draw.

Joseph Ducreux painted himself yawning around 1783. This man copied him!!
