Dear Parents,

Due to the Covid 19 closure your child has not have completed the Social Personal Health Education (SPHE) Curriculum for 6th Class. As this is very sensitive work we feel it is not appropriate to address these matters on the Class Blog or Google Classroom. In order to help you cover these issues we have put together an overview which we hope will offer you some guidance in the coming months.

We use a variety of programmes which include the Stay Safe, the Walk Tall, the Relationships and Sexuality Programmes, Busy Bodies, Webwise and Food Dudes. Each child will receive the Busy Body booklet which explains things in a very child friendly but factual manner and might be a good discussion starter.

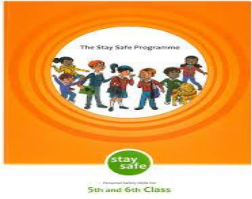

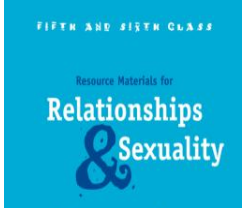

Secondary Schools also have a SPHE Curriculum that will review these topics and progress them age appropriately.
